

### JU Summer School 2019

Jönköping University, Schweden

Studierende: Jönköping University offers the following undergraduate level courses taught in English in the month of June 2019:

Purchasing Logistics with a Global Perspective **(10 ECTS credits)**

Global Perspective on Health and Welfare **(10 ECTS credits)**

Students will have the opportunity to obtain credits and participate in social and cultural activities to discover and learn about Sweden and the Swedish culture. In addition the programme includes visits to companies and to organizations related to the courses, examples of such are **IKEA & Husqvarna** in the area of logistics and **Companion & Integrera Mera** in the area of health and welfare. Students will benefit from a term abroad during their summer break with the possibility to gain valuable international experience and credits.

**The dates are:**

**June 1 to 2, 2019:** Arrival dates and pick-up service

**June 3 to June 28, 2019 (4 weeks):** The programme takes place

Students may apply directly to the summer school on-line at [www.ju.se/summer-school](http://www.ju.se/summer-school). Application deadline April 1.
