

RCS welcomes a new member

Mr. Abhinav Singh Hada is a new member and welcomed to the Industrial Data Science group in April 2022

30.05.2022 | Abhinav Singh recently completed his Master's degree in Information and Communication Systems from Chemnitz University of Technology. Currently he is employed as Research Associate at RCS where he will work in the Industrial Data Science group of Prof. Joenssen. He is starting new research into the development of AI-based measuring solutions. "I felt welcomed as a new member of RCS, an environment which is at the cutting edge of research in various branches of the systems sciences, allowing my ideas to have an impact on complex real-world problems," said Abhinav Singh. His research is funded by the ZIM program of the Federal Ministry for Economic Affairs and Climate Action.
