synchronisierte Servo-Achsen am Werk.

FERRERO
LEARN. ACT. GROW.

Industrial Internship

Production plant: Stadallendorf
Starting: Possible at any time

With top brands such as Kinder Surprise, Ferrero provides optimal conditions for an interesting and informative internship. The internship at Ferrero will give you the opportunity to gain valuable work experience, grow your skills and build a successful career. During the course of the internship you will be able to work in strong teams and benefit from the experience of our experts. In addition, you will master exciting challenges and grow professionally with the market leader for chocolate confectionery in Germany. Are you ready for the next big step in your career? Join our team and shape your future success!

Sections:

- Production / Lean Management
- Maintenance / Engineering
- Packaging / Development Technology
- Food Technology
- Quality
- Supply Chain
- Industrial Sustainability, Environment & Energy

Internship:

- A 5-6 months structured internship (mandatory or voluntary)
- Composing bachelorthesis and masterthesis
- Followed by an international Industrial Graduate Program

As a world leader in the chocolate confectionery sector, we create enthusiasm among young people and adults through quality, innovation and passion: these are Ferrero's values and they have helped to make our products loved by millions of consumers. Today, together with 35,000 employees working in 22 plants around the world, we strive to maintain these values as high as ever. Do you want to join us, shaping your and our future success?

If you are interested on each internship, you will find more informations online on our homepage (<http://karriere.ferrero.de/stellenangebote>). Please apply online enclosing your complete application to our human resources department.
