

Controlling Internship at MAN Truck & Bus Danmark AS

For support of the Danish subsidiary of MAN Truck & Bus AG, we are looking for an intern (m/f) in the controlling department. The start of the internship is as soon as possible. The duration of the internship is six months (small changes negotiable). The MAN Truck & Bus Danmark AS, located in Greve/Copenhagen, is an import- and sales company with seven branches and around 180 employees nationwide. You will work in a team of three colleagues, which is responsible for controlling tasks of the Danish and Norwegian subsidiaries of MAN Truck & Bus AG.

Your tasks

- Support of month end and quarterly closing
- Monthly reporting to the parent company in Munich and local management
- Analysis/ improvement/ documentation of economic organization
- Concept development of IT processes related to the department
- Carrying out of tests as part of the Internal Controlling System (ICS)
- Project work

Your profile

You should be an analytical thinker, work proactive and be a team player. In addition, you are willing to work in complex processes. Good knowledge of cost accounting, Microsoft Office and English are a must. Danish language and SAP R/3 are a plus but not a requirement.

We offer

The compensation for the internship is a monthly salary of 4.000 DKK and a flat grant of 3.500 DKK as well as a travel flat rate to and from Denmark of 400 EUR.

Application

Please send your application in English language and in one PDF-file of max. 7MB (motivation letter, CV, grade transcript) to traineee@man.no.

We are looking forward to getting to know you!
