## Project Associate / Consultant (f/m/d) for T&I Board Area - Strategy & Operations Team

SAP's vision is to help the world run better and improve people's lives. As the cloud company powered by SAP HANA®, SAP is a market leader in enterprise application software, helping companies of all sizes and industries run better. SAP empowers people and organizations to work together more efficiently and use business insight more effectively. SAP applications and services enable our customers to operate profitably, adapt continuously, and grow sustainably. At SAP, we believe in the power of collaboration and empower our employees to perform at their best in an environment that encourages free and open expression of ideas. You'll work alongside creative thinkers who share your interests, while turning big ideas into reality for our customers. With innovative job training, mentors to help you grow, and the flexibility to balance your work and personal life, you'll be able to get more out of your career. It's no wonder that some of the sharpest minds from around the world are working for a company that is consistently recognized as a global top employer.

Now it's your turn to take the next step and help make the world Run Simple.

### PURPOSE AND OBJECTIVES

The Board Area Technology & Innovation (T&I) is responsible for SAP's overall platform and technology development such as SAP Cloud Platform and SAP HANA. In addition, T&I drives the incubation and adoption of intelligent technologies like Analytics, SAP Leonardo Machine Learning and IoT across SAP's product portfolio. The T&I board area is also in charge of SAP's global innovation agenda and builds new business model- and market-driven innovations to help customers realize the most business value.

The T&I Strategy & Operations Team combines the agility of a startup with the backbone of a global market leader and ensures the overall success of T&I by enabling T&I colleagues to do their best job, positioning SAP and Business Technology Platform and leveraging the vibrant ecosystem of Berlin.

### EXPECTATIONS AND TASKS

We're looking for a Project Associate/Consultant - Development (f/m/d) who gets energized running and optimizing reporting & analytics activities and wants to help T&I achieving its goals with data-driven insights.

You will be responsible for the following key tasks:

Designing and conducting analyses & synthesizing conclusions including clear and actionable recommendations

Translating and analyzing complex data questions into meaningful insights

Identifying & gathering required data points based on business requirements, ensuring sufficient data quality

Building and maintaining dashboards in SAP Analytics Cloud to visualize KPIs and actionable intelligence to senior leaders

### EDUCATION AND QUALIFICATIONS / SKILLS AND COMPETENCIES

University degree in Business Administration or Economics or in a related field

First related practical experiences (job entry-level position, Trainee, internships etc.) e.g. in market research, market intelligence, financial modelling

Strong analytical skills and capability to autonomously understand and tackle complex questions

Excellent MS Office Skills (PowerPoint, Excel, Word, SharePoint, etc.)

Basic programming (e.g. Python/R/SQL) and advanced statistical analysis skills would be an advantage

Ability to work in a fast-paced, deadline-driven environment

Proven ability to handle multiple competing priorities and ad hoc requests

Planning tasks and processes set clear goals and follow-up on results

Passion for data and crunching numbers, with creative problem-solving abilities and an eye for detail

Excellent spoken and written communication skills in English and German

### WORK EXPERIENCE

Ideally, 1-2 years of working experience or respective internship positions in a corporate strategy department, the field of Venture Capital/M&A/Investment Banking, as an analyst or as a business intelligence expert.

### WHAT YOU GET FROM US

Success is what you make it. At SAP, we help you make it your own.

A career at SAP can open many doors for you. If you're searching for a company that's dedicated to your ideas and individual growth, recognizes you for your unique contributions, fills you with a strong sense of purpose, and provides a fun, flexible and inclusive work environment – apply now.

### SAP'S DIVERSITY COMMITMENT

To harness the power of innovation, SAP invests in the development of its diverse employees. We aspire to leverage the qualities and appreciate the unique competencies that each person brings to the company.
