## Intern: SAP Customer Experience (CX) FP&A/Controlling

SAP's vision is to help the world run better and improve people's lives. As the cloud company powered by SAP HANA®, SAP is a market leader in enterprise application software, helping companies of all sizes and industries run better. SAP empowers people and organizations to work together more efficiently and use business insight more effectively. SAP applications and services enable our customers to operate profitably, adapt continuously, and grow sustainably. At SAP, we believe in the power of collaboration and empower our employees to perform at their best in an environment that encourages free and open expression of ideas. You'll work alongside creative thinkers who share your interests, while turning big ideas into reality for our customers. With innovative job training, mentors to help you grow, and the flexibility to balance your work and personal life, you'll be able to get more out of your career. It's no wonder that some of the sharpest minds from around the world are working for a company that is consistently recognized as a global top employer.

Now it's your turn to take the next step and help make the world Run Simple.

### PURPOSE AND OBJECTIVES

The SAP CX FP&A/Controlling team is a global team responsible for actively managing the P&L of SAP CX. Under this premise, our main purpose is to provide financial stewardship and actionable business insights to the E2E SAP CX line of business to result in positive financial results and strategic execution. SAP CX is the line of business in SAP that helps businesses run their business processes across sales, service, marketing, e-commerce, and customer data management

### EXPECTATIONS AND TASKS

Your tasks will be:

Supporting the annual budgeting cycle to drive the company's 2020 growth plan & profitability strategy.

Supporting financial processes such as forecasting, month end activities (e.g. accrual posting) and period end reporting.

Providing transparency and insights with regular financial analysis of expenses as well as revenues.

Assisting in key strategic and ad-hoc financial projects.

Supporting and providing cross-functional collaboration with different stakeholders across different board areas within SAP.

Entering data into SAP (ERP) and other company systems (BW).

Assisting with daily tasks such as business inquiries, master data set-up and cost allocation.

Preparation of meetings with the Management for regular financial alignments.

### EDUCATION AND QUALIFICATIONS / SKILLS AND COMPETENCIES

- Student at university or university of applied sciences.
- Preferred field(s) of study: Economics/Business Administration/Finance related Studies.
- Computer skills: MS Office (particularly Excel), SAP Business Warehouse, Enterprise Reporting & Analysis for Office Tools are preferable.
- Language skills: English is mandatory, German is highly desirable.
- Soft skills: strong analytical, problem solving and organizational skills; ability to work independently and in a team with focus on results; Strong Communication skills.
- Others: should be self-motivated with high willingness to learn.
- Needs to be flexible with working hours in times of high workload

Your set of application documents should contain a cover letter, a resume in table form, school leaving certificates, certificate of enrollment, current university transcript of records, copies of any academic degrees already earned, and if available, references from former employers (including internships). Please describe as well your experience and skills in foreign languages and computer programs / programming languages.

### WORK EXPERIENCE

Previous finance work experience is a plus.

### WHAT YOU GET FROM US

Success is what you make it. At SAP, we help you make it your own.

A career at SAP can open many doors for you. If you're searching for a company that's dedicated to your ideas and individual growth, recognizes you for your unique contributions, fills you with a strong sense of purpose, and provides a fun, flexible and inclusive work environment – apply now.

### SAP'S DIVERSITY COMMITMENT

To harness the power of innovation, SAP invests in the development of its diverse employees. We aspire to leverage the qualities and appreciate the unique competencies that each person brings to the company.
