## (Associate) Developer (f/m/d) for the SAP Cloud Platform Core, Persistence Service Team

SAP's vision is to help the world run better and improve people's lives. As the cloud company powered by SAP HANA®, SAP is a market leader in enterprise application software, helping companies of all sizes and industries run better. SAP empowers people and organizations to work together more efficiently and use business insight more effectively. SAP applications and services enable our customers to operate profitably, adapt continuously, and grow sustainably. At SAP, we believe in the power of collaboration and empower our employees to perform at their best in an environment that encourages free and open expression of ideas. You'll work alongside creative thinkers who share your interests, while turning big ideas into reality for our customers. With innovative job training, mentors to help you grow, and the flexibility to balance your work and personal life, you'll be able to get more out of your career. It's no wonder that some of the sharpest minds from around the world are working for a company that is consistently recognized as a global top employer.

Now it's your turn to take the next step and help make the world Run Simple.

### ABOUT THE SAP CLOUD PLATFORM PERSISTENCE SERVICE TEAM

SAP Cloud Platform (SAP CP) is a platform-as-a-service offering built to provide unique capabilities to develop and streamline applications for public and industry clouds, as well as the extension and integration platform for the Intelligent Enterprise Suite. Built on open source technologies, running on a variety of infrastructures and powered by SAP HANA and SAP ASE, the applications developed by customers, partners and SAP can leverage a variety of re-usable services.

The SAP CP Persistence Service is one of core services in SAP Cloud Platform Core, providing the complete database lifecycle (automated provisioning, database administration, backup & recovery handling, high availability & disaster recovery, testing new database versions, ...) for SAP HANA and SAP ASE.

As an SAP CP core service, the SAP CP Persistence Service is used to manage most of the internal as well as customer facing databases. To keep the vast number of databases up and running at low cost, the SAP CP Persistence Service team needs to constantly improve database lifecycle management operations, offer tools to migrate and transform databases, collaborate with the database engineering teams and advise the stakeholders as well as customers with respect to optimal database usage.

### THE ROLE

We are looking for a colleague who is passionate about development and operations (DevOps) for the mission critical SAP CP Persistence Service. This colleague should like to work in an international team, cooperating with other teams in Sofia and Bangalore. Together with your team colleagues, you will implement improvements and new features on monitoring, high availability and lifecycle for HANA and ASE databases in SAP Cloud Platform.

As a (Associate) Developer (f/m/d) in the SAP CP Persistence Service Team you will help internal and external stakeholders and customers, give them advice in case of problems, work on their feature requests and take care of our 10.000+ databases in more than 18 landscapes all around the globe.

You are a team player who is eager to learn new technologies and improve the customer experience in our cloud offering.

### ROLE REQUIREMENTS

- Very good Java skills
- Good skills in operations automation
- Good database knowledge
- Not afraid of working on operational topics
- Fluent in German and English (written and spoken)

### WORK EXPERIENCE

1+

### WHAT YOU GET FROM US

Success is what you make it. At SAP, we help you make it your own.

A career at SAP can open many doors for you. If you're searching for a company that's dedicated to your ideas and individual growth, recognizes you for your unique contributions, fills you with a strong sense of purpose, and provides a fun, flexible and inclusive work environment – apply now..

### SAP'S DIVERSITY COMMITMENT

To harness the power of innovation, SAP invests in the development of its diverse employees. We aspire to leverage the qualities and appreciate the unique competencies that each person brings to the company. SAP is committed to the principles of Equal Employment Opportunity and to providing reasonable accommodations to applicants with physical and/or mental disabilities. If you are in need of accommodation or special assistance to navigate our website or to complete your application, please send an e-mail with your request to Recruiting Operations Team (Americas: [Careers.NorthAmerica@sap.com](mailto:Careers.NorthAmerica@sap.com) or [Careers.LatinAmerica@sap.com](mailto:Careers.LatinAmerica@sap.com), APJ: [Careers.APJ@sap.com](mailto:Careers.APJ@sap.com), EMEA: [Careers@sap.com](mailto:Careers@sap.com)). Successful candidates might be required to undergo a background verification with an external vendor.

SAP is committed to the principles of Equal Employment Opportunity and to providing reasonable accommodations to applicants with physical, sensory and/or mental disabilities. If you are interested in applying for employment with SAP and are in need of accommodation or special assistance to navigate our website or to complete your application, please contact us at EMEA: +49 6227 7 48599 and [careers@sap.com](mailto:careers@sap.com), Americas: [hrdirectamericas@sap.com](mailto:hrdirectamericas@sap.com), APJ: [hrdirectapi@sap.com](mailto:hrdirectapi@sap.com). Requests for reasonable accommodation will be considered on a case-by-case basis.
