Working Student (f/m/d): SAPUI5 Development

SAP's vision is to help the world run better and improve people's lives. As the cloud company powered by SAP HANA®, SAP is a market leader in enterprise application software, helping companies of all sizes and industries run better. SAP empowers people and organizations to work together more efficiently and use business insight more effectively. SAP applications and services enable our customers to operate profitably, adapt continuously, and grow sustainably. At SAP, we believe in the power of collaboration and empower our employees to perform at their best in an environment that encourages free and open expression of ideas. You'll work alongside creative thinkers who share your interests, while turning big ideas into reality for our customers. With innovative job training, mentors to help you grow, and the flexibility to balance your work and personal life, you'll be able to get more out of your career. It's no wonder that some of the sharpest minds from around the world are working for a company that is consistently recognized as a global top employer.

Now it's your turn to take the next step and help make the world Run Simple.

PURPOSE AND OBJECTIVES

Our department "UI Core Services" is responsible for delivering state of the art Web frameworks and services for the User Interfaces of SAP applications. SAP Fiori is the latest evolution of the user experience for SAP. The user-centered design concept focuses on the way employees work and offers a variety of business benefits.

This includes the development of the "UI Development Toolkit for HTML5" (SAPUI5), a highly scalable, cross-browser JavaScript Framework. SAPUI5 incorporates a rich set of Web controls based on HTML 5, which is used to create the UIs of Business Applications. SAPUI5 is available for the developer community as OpenUI5 (<http://www.openui5.org>).

We are looking for a Working Student (f/m/d) who supports the existing SAPUI5 development teams.

EXPECTATIONS AND TASKS

As a member of the SAPUI5 development team:

- You participate in the development of SAPUI5 after an initial on-the-job training
- You will be working with a group of talented and motivated colleagues
- You work in a development team that applies agile development practices

EDUCATION AND QUALIFICATIONS / SKILLS AND COMPETENCIES

- Student (f/m/d) at a university or a university of applied sciences
- Preferred field(s) of study: Computer Science or a related discipline
- Computer skills:
 - Experience in Web development (HTML, JavaScript, CSS)
 - Knowledge in object oriented programming languages
 - Knowledge of Git, Gerrit, Jenkins
- Language skills: Good German and English skills
- Soft skills:
 - Flexibility and willing to learn new subject matters quickly
 - Good communication and teamwork skills

Your set of application documents should contain a cover letter, a resume in table form, school leaving certificates, certificate of enrollment, current university transcript of records, copies of any academic degrees already earned, and if available, references from former employers (including internships). Please describe as well your experience and skills in foreign languages and computer programs / programming languages.

WHAT YOU GET FROM US

Success is what you make it. At SAP, we help you make it your own.

A career at SAP can open many doors for you. If you're searching for a company that's dedicated to your ideas and individual growth, recognizes you for your unique contributions, fills you with a strong sense of purpose, and provides a fun, flexible and inclusive work environment – apply now..

SAP'S DIVERSITY COMMITMENT

To harness the power of innovation, SAP invests in the development of its diverse employees. We aspire to leverage the qualities and appreciate the unique competencies that each person brings to the company. SAP is committed to the principles of Equal Employment Opportunity and to providing reasonable accommodations to applicants with physical and/or mental disabilities. If you are in need of accommodation or special assistance to navigate our website or to complete your application, please send an e-mail with your request to Recruiting Operations Team (Americas: Careers.NorthAmerica@sap.com or Careers.LatinAmerica@sap.com, APJ: Careers.APJ@sap.com, EMEA: Careers@sap.com). Successful candidates might be required to undergo a background verification with an external vendor.
