

Working Student Global Quality & Sustainability (m/f/x)

Aalen

Step out of your comfort zone, excel and redefine the limits of what is possible. That's just what our employees are doing every single day – in order to set the pace through our innovations and enable outstanding achievements. After all, behind every successful company are many great fascinating people.

Your role

- Support global document management and daily business for quality topics
- provide organizational support for Green Safe Responsible (GSR) actions at Aalen site
- Manage timely reporting of data and conduct quality checks of submitted data for the GSR Actions Database and GSR KPIs
- Support the data preparation and analysis as well as further development of GSR KPIs output information
- Support the collection of information related to GSR objectives (green supply chain, energy saving, water saving, etc.)
- Support data preparation for the Carbon Footprint of ZEISS lenses

Your profile

- currently studying international business administration or any related subject, ideally with a focus on sustainability topics
- first work experience
- fluent language skills in English and German
- an independent and systematic way of working
- strong communication and teamwork skills
- experience with SharePoint & Power BI is a plus
