### The job.

You would work for one of the world's leading technology companies. You will develop new marketing ideas and create a big change in today's life. Your main tasks are:

- Daily support of existing customers in the B2B market, identification of sales opportunities
- Establish a relationship of trust with key decision makers in the marketing industry and consultants for online advertising strategies
- Understand the business objectives of your customers to achieve the most effective online advertising
- Offer strategic campaign support and advertising training to educate your customers
- Sales increase through up-selling to train customers
- Achieve high customer satisfaction with a focus on quality and results.

### The profile.

- You speak native German + you have a good level of English (at least B2).
- You have a high school degree or already have a bachelor's degree.
- You have a sales or marketing background.
- You have a general understanding or interest in online marketing products.
- You are a strategic thinker.
- You have a drive for excellence and professionalism.
- You have excellent communication and listening skills.
- You are a true team player and willing to work with many different nationalities.

### The offer.

- Contract type: a fixed-term contract for one year that can be renewed every year
- Working hours: Mon – Fri 8 am to 5 pm (40 hrs/week)
- Training: 5 weeks including Google Ads certification (useful for future employers)
- Salary conditions (\*) – 2 options:
  - a.) Including free accommodation (shared flat, all bills included):

950€ gross/month + bonus up to 900€ gross per quarter

b.) Without accommodation:

1.310€ gross/month + bonus up to 900€ gross per quarter

(\*) Compensation of the training period 100%

– For international applicants:

– Reimbursement of your initial flight costs after 9 months

– Pick up from the airport

– Annual return ticket to your home country (within the EU)

– Help with paperwork, opening a bank account, etc. upon arrival

– Free Portuguese lessons, cooking classes, sports activities and social events organized by the company.

– Real career opportunities in different career paths
