

Health Journalism Internship

Intern / Student, Full or part time, Remote

Intro:

We are happy that you have found your way to this job advertisement! If you are the kind of person who loves to get things done, this might be interesting for you. Would you like to make a difference and work at one of the most innovative companies in Austria?

If this is the case, please read on.

We want to save lives. And you can help us - be part of this journey!

What you will be doing:

- You join the team of our health news magazine HealthNewsNet and write transparent reports to inform about the COVID-19 pandemic and other health subjects.
- You get to know online journalism from the practical side.
- You learn about exciting health topics and how to present them in a coherent way.
- You discover and develop your writing talent.
- You create editorial plans.
- You learn to see the world from your target group's point of view.
- You benefit from the rapid market feedback and our 21 years of online marketing expertise.

What you bring along:

- German is your native language.
- You speak fluently English and are able to understand English texts about complex topics.
- Your German grammar and spelling proficiency are excellent - in writing and verbally.
- You have high level social skills - you are always able to put yourself in the situation of your interlocutor.
- Fast typing is not new to you.

Symptoma GmbH · Neuhofen 5 · 4864 Attersee · Austria

Symptoma Service Team Tel.: +43 662 45 82 06 · office@symptoma.com · www.symptoma.com

Firmenbuchgericht Wels · FN 323397i, Chief Executive Officers: Dr. med. univ. Jama Nateqi, Dipl.-Ing. Thomas Lutz

IBAN: AT92 3500 0000 9702 8435, BIC: RVSAAT2SXXX, UID: ATU65000358

- You deal intuitively with websites, Office programs, and other software.
- You are confident, reliable, and creative.
- Your way of working is precise and efficient.
- You are a team-player, but have no problems with working independently.
- You are eager to work at one of the most successful and innovative SMEs of Europe.
- You have 6 to 12 weeks for working part-time or full-time with us.

Why you should apply:

- Be part of the meaningful mission to eliminate the guesswork out of medicine - every patient deserves the right diagnosis and treatment!
- We appreciate your abilities and skills - no micro-management is needed.
- We provide flexible working hours.

Interested?

Please send the following

- Cover letter (1 page)
- CV (2 pages max.)

to jobs@symptoma.com.

Please note that due to the short duration, the internship is unpaid.

About us:

We save lives. Are You in?

Symptoma was founded in 2006 to save up to 1.5 million lives each year with the right diagnosis. Our Digital Health Assistant empowers users to uncover even ultra-rare diseases. Patients and doctors enter symptoms, answer questions, and find a list of matching causes – sorted by probability.

Our Mission:

We want to eliminate the guesswork out of medicine.
