At DB Schenker, you are part of a global logistics network that connects the world. A network that allows you to shape your career by encouraging you to contribute and truly make a difference. With more than 76.000 colleagues worldwide, we welcome diversity and thrive on individual backgrounds, perspectives and skills. Together as one team, we are Here to move.

We are looking for you to support us from April 1st, 2023 in our Head Office in Essen, Germany.

Your tasks:

- › As a trainee in Global IT Governance you will support IT process optimization and process implementation (e.g. IT process design, stakeholder alignment, requirements analysis, process documentation)
- › You will work on IT strategy development and implementation (e.g. strategic portfolio management, reporting and implementation controlling)
- › Training and roll-out support for the management tool Bee360
- › Project management especially in project controlling, planning and reporting
- › You will be responsible for tasks in agile management environment as well as IT transformation and IT organizational development

Your profile:

- › Completed studies in business informatics, business administration and/or industrial engineering with focus on IT management
- › First experience with IT governance (e.g. sourcing, IT portfolio management, IT strategy development) and/or process flows (e.g. COBIT)
- › Knowledge of agile project management and concept methods
- › Experience in IT controlling, -portfolio management and -performance management is an advantage
- › Distinct strategic, conceptual and entrepreneurial thinking and acting
- › Optional knowledge in other IT management disciplines such as IT security, architecture management, information management

Did we engage your interest? Then we are looking forward to receiving your application. Please send your application in English including a CV, a transcript of records or university diploma, certification of enrollment as well as internship and work references.

Do you have any further questions? Do not hesitate to contact us.

We will treat your personal data confidential. Please refer to our privacy policy on -[1] www.deutschebahn.com/datenschutz-personal.
