

Working student Power BI (f/m/x)

Oberkochen

Step out of your comfort zone, excel and redefine the limits of what is possible. That's just what our employees are doing every single day – in order to set the pace through our innovations and enable outstanding achievements. After all, behind every successful company are many great fascinating people.

Your role

- Generate business intelligence solutions using Microsoft Power BI
- Construct dashboards and visualizations to gain insights from service data
- Create or transfer reports and dashboards that use data lake data
- Apply best practices to optimize existing analytics solutions

Your profile

- (Master's) student in natural science, mathematics, computer science, engineering, or similar
- Experience in dashboard development with Microsoft Power BI
- Strong mathematical and technical understanding
- Customer-oriented, cooperative, and self-directed working style

In a spacious modern setting full of opportunities for further development, ZEISS employees work in a place where expert knowledge and team spirit reign supreme. All of this is supported by a special ownership structure and the long-term goal of the Carl Zeiss Foundation: to bring science and society into the future together.

Join us today. Inspire people tomorrow.

Diversity is a part of ZEISS. We look forward to receiving your application regardless of gender, nationality, ethnic and social origin, religion, philosophy of life, disability, age, sexual orientation or identity.

Apply now! It takes less than 10 minutes.
