

Internship (m/f/d) Human Resources, WS 23/24

About Teva

Teva is a global pharmaceutical company and the world market leader among generics companies. At the heart of our success are our employees in more than 60 countries worldwide. They ensure that we can provide patient-centered healthcare solutions of the highest quality to 200 million people every day.

Be part of it and grow with us!

Start: winter semester 23/24, duration 6 months

What you can expect

- You are actively involved in different HR projects (project management, change management, communication concepts)
- You support the HR managers in various topics such as preparation and realization of workshops or preparation of HR analytics
- You get to know our methods and tools and actively apply them - from digital tools to new work concepts like design thinking
- You are responsible for operational tasks in the day-to-day business of our HR team
- You will gain comprehensive insights into the area of Human Resources such as Talent Acquisition, Employee Health Management and Compensation & Benefits
- You independently organize our internship networking event and can thus network with other interns

What you bring to the table

- You are a registered student (m/f/d) of business administration, economics, psychology or a comparable course of study and have a desire for HR topics
- You are self-confident, communicative and you enjoy working in a team
- You have very good skills of written and spoken English
- You like to work with new methods and technologies
- Analytical thinking and a structured way of working complete your profile
- You are confident in using MS Office, especially PowerPoint and Excel

What we offer

You will be a full member of our team from day one and will be supported in your tasks. You will gain a broad insight into all topics of the employee lifecycle. Of course, you will receive regular and final feedback, as well as a qualified certificate at the end of your internship.

We look forward to receiving your online application at: <https://careers.teva/job-invite/46620/>

Reference number: 46701
