

## Working Student - Global Quality Management (f/m/x)

### Aalen

Step out of your comfort zone, excel and redefine the limits of what is possible. That's just what our employees are doing every single day – in order to set the pace through our innovations and enable outstanding achievements. After all, behind every successful company are many great fascinating people.

#### **You will support our Global Quality team in:**

- Acquiring, structuring, analyzing, and evaluating quality-relevant data
- Drafting and formatting of Standard Work Instructions
- Management of quality related documents (Operational Readiness documents, defect catalogue, quality equipment)
- Support on SharePoint reorganization
- Following up with change requests
- Failure Analysis Support on major open quality issues
- Analyzing samples to finalize specifications
- Administrative tasks

#### **Your profile**

- You are currently studying in the field of engineering, industrial engineering, or a comparable degree program
- Very good MS Office skills (especially Excel and Word)
- Proficiency in English, German is a plus
- Prior experience with SharePoint is a plus
- Strong curiosity and willingness to develop new skills
- A passion for data and digital technologies

In a spacious modern setting full of opportunities for further development, ZEISS employees work in a place where expert knowledge and team spirit reign supreme.
