

Steinbeis Student - Regulatory Affairs Projects (f/m/x)

Aalen

Step out of your comfort zone, excel and redefine the limits of what is possible. That's just what our employees are doing every single day – in order to set the pace through our innovations and enable outstanding achievements. After all, behind every successful company are many great fascinating people.

Your role

- Being part of the project management concerning applicable regulations, standards, etc.
- Research of applicable regulatory requirements for the product portfolio
- Support of regulatory activities in terms of registration / approval of medical devices
- Analyze current reporting schemes
- Develop dashboards for Regulatory Affairs in the Business Sector Vision Technology Solutions (VTS)

Your profile

- A successfully completed Bachelor's degree in Economics or Natural Sciences and an ambition for the dual master program
- Experienced in the handling of MS Office and MS Teams
- Basic knowledge of project management
- Very good written and spoken English, other languages would be an advantage

In a spacious modern setting full of opportunities for further development, ZEISS employees work in a place where expert knowledge and team spirit reign supreme.
