

Working Student - Special Customer Solutions Electron Microscopy (f/m/x)

Oberkochen

Step out of your comfort zone, excel and redefine the limits of what is possible. That's just what our employees are doing every single day – in order to set the pace through our innovations and enable outstanding achievements. After all, behind every successful company are many great fascinating people.

Your role

- Support our strategic product management group with special customer solutions for our Electron Microscopes
- Interact directly with our global sales force and support timely evaluation and implementation of special requests
- Learn about our world-leading electron optics and detector technologies
- Align with colleagues from our factories in Germany and the United Kingdom (if requested, incl. a trip to the UK)
- Support concept development for efficient documentation and process improvements

Your profile

- You are enrolled in a Bachelor's / Master's degree in the field of Natural Sciences, Engineering, Mathematics, Economics or similar
- Interest in advanced technology
- Desire to work in a dynamic team, but complete task independently
- Highly-motivated to make a difference

In a spacious modern setting full of opportunities for further development, ZEISS employees work in a place where expert knowledge and team spirit reign supreme. All of this is supported by a special ownership structure and the long-term goal of the Carl Zeiss Foundation: to bring science and society into the future together.

Join us today. Inspire people tomorrow.

Diversity is a part of ZEISS. We look forward to receiving your application regardless of gender, nationality, ethnic and social origin, religion, philosophy of life, disability, age, sexual orientation or identity.

Apply now! It takes less than 10 minutes.
