Working Student Optometry Education (m/f/d)

Oberkochen

Step out of your comfort zone, excel and redefine the limits of what is possible. That’s just what our employees are doing every single day – in order to set the pace through our innovations and enable outstanding achievements. After all, behind every successful company are many great fascinating people.

Your role

- Support the development of an education program for Optometrists
- Literature research with focus on laser vision correction and the role of the primary eye care professionals
- Summarize and break down to a simple language, complex scientific text
- Actively engage with optometry professionals to understand their needs and provide solutions
- Conduct market research to understand trends and competitors
- Perform other related duties and responsibilities as assigned

Your profile

- Optometry student in Bachelor (6-7 semester) or Master
- Experience as an optometrist in laser clinics or any international experience would be a plus
- Proactive attitude and problem solver
- Results-oriented & good team player
- Excellent communication, interpersonal and presentation skills
- Familiar with MS Office (especially Word & PowerPoint for executive presentations)
- Good written and spoken English, any other language is a plus

In a spacious modern setting full of opportunities for further development, ZEISS employees work in a place where expert knowledge and team spirit reign supreme. All of this is supported by a special ownership structure and the long-term goal of the Carl Zeiss Foundation: to bring science and society into the future together.

Join us today. Inspire people tomorrow.

Diversity is a part of ZEISS. We look forward to receiving your application regardless of gender, nationality, ethnic and social origin, religion, philosophy of life, disability, age, sexual orientation or identity.

Apply now! It takes less than 10 minutes.
