

# Internship in Strategic Corporate Development M&A

## Oberkochen

Step out of your comfort zone, excel and redefine the limits of what is possible. That's just what our employees are doing every single day – in order to set the pace through our innovations and enable outstanding achievements. After all, behind every successful company are many great fascinating people.

### Your role

- assist in group-wide M&A activities, divestitures and other related projects such as collaborations
- perform duties and tasks in a Project Management Office (PMO)
- actively contribute to the creation of business valuations/ financial modeling
- share responsibility for preparing, implementing and postprocessing Due-Diligences
- assist in the compilation of proposals for decisions by the Executive Board and the Supervisory Board

### Your profile

- already begun to study business administration/ economics with a focus on corporate finance, financial analysis/ accounting, strategic/ international management etc.
- ideally had your first practical experience in business valuation, corporate finance and accounting
- very good analytical skills and think across disciplines
- an independent, accurate and reliable working style
- demonstrated a high level of initiative
- a very good command of English and are proficient in MS Office
