

## Working Student - Data Engineer (f/m/x)

### Oberkochen

Step out of your comfort zone, excel and redefine the limits of what is possible. That's just what our employees are doing every single day – in order to set the pace through our innovations and enable outstanding achievements. After all, behind every successful company are many great fascinating people.

#### Your role

Our Data & Machine Learning team at ZEISS Consumer Products is seeking a skilled and motivated working student who is excited about working with Data Scientists, Machine Learning Engineers and Software Developers on ML-solutions for consumers.

You will:

- Work in close cooperation with our Machine Learning Team
- Collect, structure and split data as well as organize data in datasets (for example test-datasets and training-datasets)
- Set-up data annotation workflows and annotate datasets
- Involve internal and external annotation workers to speed up annotation process
- Validate the quality of annotated datasets in cooperation with domain experts
- Implement pipelines to automate the above-mentioned tasks and increase efficiency

#### Your profile

- Currently enrolled in a Bachelor's / Master's degree program in Computer Science, Data Science, Digital Technologies or comparable
- Experience in Data Engineering tasks
- Good skills in Python
- Ability to work independently and willing to adapt to flexible tasks
- Willingness to deal with iterative / repetitive tasks like annotation of datasets
- Good communication skills in English and German
- Optional: Experience with Machine Learning and Data Annotation platforms / tools (like Azure ML)

In a spacious modern setting full of opportunities for further development, ZEISS employees work in a place where expert knowledge and team spirit reign supreme. All of this is supported by a special ownership structure and the long-term goal of the Carl Zeiss Foundation: to bring science and society into the future together.

Join us today. Inspire people tomorrow.

Diversity is a part of ZEISS. We look forward to receiving your application regardless of gender, nationality, ethnic and social origin, religion, philosophy of life, disability, age, sexual orientation or identity.

Apply now! It takes less than 10 minutes.
