

## The ISA-Buddy Program

Do you feel a bit lost at Aalen University?

Need a helping hand?

Do you want to get to know local students?

Then sign up for the ISA-Buddy Program!

The program is designed to help international students acclimate to Campus Life and German culture. It will help you to get to know local students from Aalen University and from all over the world. We will assign you to a local buddy for one semester who can answer basic questions that you have about studying and living here in Aalen, and can help you with social integration and the adaptation to the new academic environment. Monthly activities like trips and get-togethers will give you the opportunity to meet other exchange and full time students.

Do you want to join?

Please write an email to [buddy@hs-aalen.de](mailto:buddy@hs-aalen.de) with your full name, study program, nationality, age and interests so we can find you a good match.
