Important

A detailed written explanation and suitable documents for verification, e.g. school report, medical report are required. The copies have to be legally attested and have to contain the official seal of an authority. Without submission of the relevant documents those applications cannot be processed.

I assure you that all given information is correct and complete. I am informed that all given information serves as the basis for the process of allocation and that false or incomplete information can cause withdrawal of admission and exclusion from studies at the university of Aalen. I agree with the electronic saving and processing of my information for administrative purposes of the university.

I take note of the following points:

1. The information on the procedure of application and admission can be found on the homepage of the university of Aalen (www.htw-aalen.de -> Studienbewerber)
2. All details regarding the pre-study practical, school and vocational education, occupation, other practical work, extracurricular achievements, services or previous studies have to be proven.
3. Applications that are not handed in on time or are incomplete – see checklist (with all required documents and legal attestation) will be excluded from the process of allocation of university places.
4. Please only include legally attested copies of your certificates and documents (exceptions are mentioned in detail.). Please note that a legal attestation has to be provided with the seal of an authority. We assume no responsibility for originals sent.
5. The current application deadlines are 15 January for the summer semester and 15 July for the winter semester (§ 3 Hochschulvergabeordnung – HVVO). As the circumstances require, there are also varying application deadlines – please refer to the checklists on the homepage's download area.
6. Please take note of the limitation period of the university.
7. Please make sure to provide us with your telephone number and email address in your application, so that we can contact you short-term in case any important documents are missing.
8. The applicant's data will be saved and processed according to the data protection regulations.
9. Although there is no duty of disclosure, we can only grant admission if you provide all the information required in your application. Personal data is collected referring to the aforementioned legal bases according to the act of the Ministry of Science on the elicitation and processing of applicants', students' and exam candidates' personal data for administrative purposes of the universities (Hochschul-Datenschutzverordnung – HSchulDSV) of 28 August 1992, as amended from time to time, in connection with § 4 section 1 number 1 of the law on the protection of personal data (Landesdatenschutzgesetz – LDSG) as amended on 18 September 2000 and according to § 12 section 1 of the law on universities in Baden-Wuerttemberg (Landeshochschulgesetz – LHG) from 1 January 2005, as amended from time to time.
10. For practical reasons, as well as reasons of data protection, we cannot provide telephone information.
